

Around
the Square

If you still have your copy of the Sierra Madre Civic Directory, take our advice: heave it in the wastebasket.

We suggest this drastic action after fruitlessly trying to dial some of the numbers, long since changed. Compiled in early 1950, the booklet's real worth now can be measured only by the historian.

Here's a tip for people who work out-of-town. It is now possible for you to credit your payroll or plant donations for the Red Cross to Sierra Madre's Chapter. This helps the local drive and, in a disaster, aid would originate from here anyway.

Er, uh—we hate to even hint such a thing, but the other night we observed a man taking metal OFF the scrap pile. In his defense, though, we must say that he might have been just "re-arranging" the scrap. We were so stunned we didn't wait to see. If this actually happened, in Sierra Madre, then one of our last shreds of faith in human nature will ebb away.

The kids (not goats—yongsters) were having a field day in the business district Tuesday. Released from school because of Lincoln's Birthday, the small fry went on a shopping spree. Model kits, kites and valentines were selling fast, it was reported.

The boy shoppers solved their off-street parking problems right away. At one time 17 bicycles were stacked in front of the NEWS office. People thought we were offering some sort of a "Saturday matinee." An Army Ranger in advanced training would have had trouble negotiating this obstacle course created by the bikes. Oh, well, it was back to school again yesterday.

Speaking of school holidays, several parents have asked us why the public school students get so many. They had both Monday and Tuesday off. You tell them, Superintendent Skutt. We don't know the answer.

We're jealous, though. It's a long time between New Year's and Memorial Day.

How about those white center lines for the streets, boys? It still may get foggy before spring. And our car compass is broken.

Store Windows
Honor Scouts

Several Sierra Madre stores featured Boy Scout window displays during Scout week, Feb. 6 to 12.

Among the most elaborate exhibits was the one at Carl Hansen's Ford Agency, 120 W. Sierra Madre boulevard. This showroom display included first aid equipment and Sea Scout lore.

Other exhibits were at Rike-man's Gift Store, 10 Kersting Court; Sierra Madre Hardware, 31-35 W. Sierra Madre boulevard; Fashion Future, 1 Kersting Court, and Rasmussen Appliance, 43 N. Baldwin.

Council Receives
Parking Survey

A survey of parking conditions in downtown Sierra Madre was formally received last night by the City Council.

Councilmen were expected to appoint a parking committee to study the report and its recommendations.

The survey report, 25 bound pages long, was prepared by the Automobile Club of Southern California. It was compiled, without cost to the city, by the public safety department of the club.

Among the recommendations of the club are the elimination of angle parking and the substitution of one-hour parking limits for the present two-hour limits.

The Auto Club's findings were based on a "sample study

Workers Struggle
To Repair Well

Workmen of the Byron Jackson Pump Company were still toiling yesterday in an attempt to save Sierra Madre's No. 2 water well.

Water Superintendent Al Freeland termed it a "serious situation." The casing of that well has separated approximately 25 feet from the top, caused possibly by a collapse in the casing several hundred feet below that.

Lions to Hear
Deputy District
Governor

Philip A. Sonntag, deputy district governor of Lions International, will be guest speaker at 7:15 this evening, Feb. 14, when the Sierra Madre Lions

PHILIP A. SONNTAG
... speaks tonight

Club meets at the Woman's Clubhouse.

Mr. Sonntag will speak on Lionism as it applies to his district, which comprises 18 clubs, and to the international organization. He is a member and past president of the Glendale Lions Club and a past zone chairman.

Active in the civic affairs of Glendale, Mr. Sonntag is a past president of the Junior Chamber of Commerce there. He also is a past exalted ruler of the Elks.

Mr. Sonntag was graduated from UCLA in 1935 and is a Navy veteran. Married, he has three children.

CAR STRIKES
GIRL, AGE 12

Not many people can say they were hit by a car in the afternoon, then went to the movies that night.

But Dorothy E. Neumann, 12, of 470 W. Sierra Madre boulevard, can.

Dorothy was struck and knocked to the pavement late Monday afternoon as she was crossing Sierra Madre boulevard in front of Reece 5 and 10 in the downtown business district. Police said she was walking in the crosswalk when hit.

Police identified the driver of the car as David E. Muller, 27, of 221 Vista Circle Drive. Officers quoted him as saying that he did not see the girl until she was a third of the way across the street.

"I put on my brakes but was unable to stop before hitting her," Mr. Muller said.

Don Jackson, father of Dorothy, said a checkup by Dr. M. H. A. Peterson revealed only bruises.

day"—Saturday, Oct. 20, between 10 a.m. and 6 p.m.

One Sierra Madre merchant, however, already has said that day was not "typical," since many of the stores were suffering a pre-Christmas business slump then.

Regarding angle parking, the report said "it is generally ac-

THIS ACT MUST
'CAP' THEM ALL

Lawrence Borneman, 359 W. Sierra Madre boulevard, had a surprise awaiting him when he went out to his car Tuesday morning.

During the night someone "walked off" with all four hub caps. What hurt most, though, was that Mr. Borneman had just purchased the caps this week.

At \$4.63 apiece, he estimated his total loss at \$18.52. His car had been parked at a service station near his home.

End Graft
Movement
Gets Attention

The "Declaration of Independence from Graft" was winning more and more support this week as newspapers and radio commentators gave it widespread publicity.

Editorials praising the declaration appeared in the Los Angeles Daily News and the Hollywood Citizen News.

Sierra Madrean Lee Shippey, who is serving as secretary of the declaration committee, was interviewed on the Larry Finley broadcast on KFWB and explained the purpose of the movement.

The emcee wished Mr. Shippey luck, incidentally, in his election campaign for U.S. Congress from the 21st District.

The declaration calls for a crusade for honest government and denounces the high cost of election campaigns.

'LEE SHIPPEY NIGHT' SET
FOR SATURDAY, FEB. 23

Saturday, Feb. 23, will be "Lee Shippey Night" in Sierra Madre, with a celebration planned for 8 o'clock in the City School auditorium.

Francis Eakman, chairman of the event, said it would be "sort of a birthday party for Mr. Shippey."

The Sierra Madrean's birthday actually falls on Tuesday, Feb. 26, but the Lee-Shippey-for-Congress Committee set the party ahead to avoid a conflict with the City Council meeting.

Mr. Shippey, veteran newsman, playwright and lecturer, is a candidate for U.S. Congress in the new 21st Congressional District. He is the first candidate for Congress Sierra Madre has ever had.

Friends of Mr. Shippey have scheduled the birthday party so Sierra Madreans may get better acquainted with him.

Mr. Eakman said entertainment and refreshments will highlight the affair.

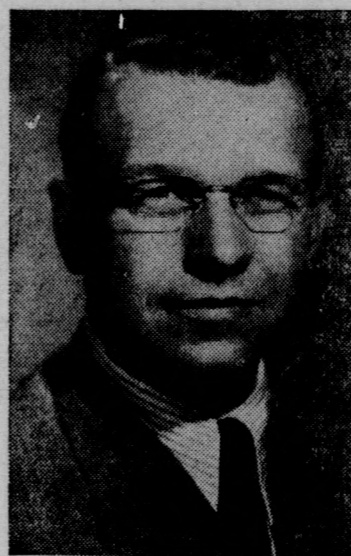

WARD ELECTED
RED CROSS HEAD

E. Waldo Ward, former City School Board president, was elected chairman of the Sierra Madre Chapter, American Red Cross, at the chapter's meeting Monday.

Mr. Ward succeeds R. C. Lewis as chairman, and Mr. Lewis is now vice-chairman. C. W. Jones was elected treasurer.

... seeks re-election

Korsmeier
Runs Again
For Council

Nomination papers were being circulated yesterday for Henry Korsmeier, incumbent city councilman, who will seek re-election to the post in the April 8 election. Circulating the papers was E. Waldo Ward Jr.

By yesterday noon there had been no filing of candidates for Sierra Madre's April 8 municipal election.

Prospective candidates for the four offices have until Thursday, Feb. 28, to formally file their nomination papers.

City posts to be filled in the election include two seats on the Council and the offices of city clerk and city treasurer.

The other three incumbents who have announced they will run again are Councilman Charles James, Clerk Marie Warfel and Treasurer Carlton J. Pegler.

Candidates must file their papers at the City Hall by 12 noon of the 28th.

Death Takes
Husband, Wife
4 Days Apart

A Sierra Madre husband and wife died this week—just four days apart.

The husband, Herbert W. Kugler, died at his home, 217 W. Orange Grove, last Wednesday, Feb. 6. His wife, Marie Elizabeth Kugler, followed him in death Sunday morning at a Pasadena hospital.

The couple is survived by a son, Herbert N. Kugler of Oakland, and two grandchildren. Mrs. Kugler also leaves two brothers, George and Watkin Richards, both of England.

Mr. Kugler, a design engineer at Aerojet Labs in Azusa, had been ill for quite some time. Mrs. Kugler suffered only a brief illness. The husband was a native of Warren, Ohio, and Mrs. Kugler was born in Wales.

The couple had lived in California 23 years and were residents of Sierra Madre for two years.

Graveside services were conducted at Liveoak Cemetery in Monrovia—for Mr. Kugler on Saturday; for Mrs. Kugler Monday afternoon. The Rev. Harley Gibbs Smith Jr. officiated. Grant Chapel was in charge of arrangements.

BETHANY CHURCH TO HEAR
TWO CHINESE EVANGELISTS

The Rev. and Mrs. John Lu, native evangelists of China, will be speaking at the 11 a.m. Bethany Church worship service this Sunday, Feb. 17.

"They will tell the thrilling story of a Gospel Witness during today's upheaval in China," said Pastor Don B. Rood in announcing the event.

"Today," he said, "while practically all of China is closed to the Occidental, trained native evangelists are carrying on in 14 provinces of that vast country. The Lus will report on this ministry and will give a general survey of the China Native Evangelistic Crusade with which they are associ-

LEGG ASKS SURVEY
OF DEATH CORNERSPAPER DRIVE
PROGRESS TOLD

More than 4800 pounds of old newspapers have been collected so far in the Sierra Madre Boy Scouts paper drive.

The drive, just three weeks old, is still in progress today, and local householders are asked to save papers for the Scouts.

If they keep going at this pace, every Boy Scout will be able to go to summer camp free of charge, a spokesman said.

If you have papers, call either Custer 5-4319, Custer 5-4312, or Custer 5-6279 days; or Custer 5-6701 or Custer 5-1813 evenings.

SCHOOLS CLOSE
NEXT FRIDAY

Sierra Madre's public and parochial schools will close next Friday, Feb. 22, for the birthday observance of George Washington.

The announcements were made jointly today by officials at City School, St. Rita's School and Ascension Parish Day School.

Pupils also had the day off Tuesday of this week, as schools, banks and public buildings celebrated the birthday of Abraham Lincoln.

More Polio Cash
Swells City Total

Last-minute donations to the March of Dimes this week swelled the total for Sierra Madre to \$3578.

Although the campaign closed on Jan. 31, donations still were trickling in Monday of this week.

SCRAP DRIVE SPONSORSHIP
REMAINS QUESTION MARK

Fate of Sierra Madre's Scrap Metal Drive remained in doubt yesterday as Kiwanians awaited last night's meeting of the City Council.

The Kiwanians, possible sponsors of the campaign, had asked councilmen if they could use city trucks in collecting holders.

Regular meeting of the city fathers was delayed a day because of Lincoln's birthday, and the session was held after the NEWS went to press last night.

Board members of the Kiwanis Club voted conditionally to take over sponsorship of the drive at their meeting last Thursday. The "condition" was that they could use city equipment in making the pickup of scrap metal.

If the city OK is given, President Hugh Warden said Kiwanians would recruit the help of Boy Scouts in distributing campaign pamphlets and in lining up scrap donations.

Al Freeland, city water superintendent, had to surrender chairmanship of the drive last week because of a heavy work load in his department.

Meanwhile, with or without an actual sponsor, the scrap pile at the lot east of the Woman's Clubhouse was reported "just a little bigger" this week.

COUNTY SUPERVISOR CITES
'NUMEROUS REQUESTS' HERE

County Supervisor Herbert C. Legg this week called for a survey of traffic hazards at Sierra Madre's "Death Corners," Foothill at Baldwin and Michillinda.

A "memorandum" asking the survey was sent to Road Commissioner Sam R. Kennedy, of the County Road Department.

The memorandum, written by Hugh B. Dynes, Mr. Legg's assistant field deputy, stated:

"We have had numerous requests from the citizens of Sierra Madre for a survey to be made of the traffic hazards at the corner of Baldwin avenue, Michillinda avenue and Foothill boulevard in the Sierra Madre area.

"Will you please send a report to this office (Board of Supervisors) with copies to Noren Eaton, councilman of Sierra Madre, and Peter Ward, publisher of the Sierra Madre NEWS."

Three persons have met violent deaths in slightly over a year at the Baldwin-Foothill intersection. The most recent wreck (Jan. 20) killed a Monrovia woman and her 4-month-old son.

Sierra Madre's City Council has adopted a resolution "demanding that the state do something" to end the menace.

Dollar Days
To Be Second
City-wide Event

Plans are being rushed to completion for Sierra Madre's second city-wide Dollar Days, Feb. 28, 29, and March 1.

The gigantic sale will feature many bargain and entertainment attractions, details of which will be announced in the NEWS next week.

Fred Lewis
Appointed to
Water Post

Fred Lewis, veteran city employee, was expected to be appointed acting assistant water superintendent by the City Council last night.

Mr. Lewis, who has been serving as pump operator at the water grounds, steps into the position left vacant by the promotion Jan. 22 of Al Freeland to the superintendency.

Zone Captains Named
For Red Cross Drive

Eleven captains who will share the task of directing solicitation for the Red Cross Fund Drive, which opens March 1, were guests at a luncheon Thursday at Hillcrest restaurant in Pasadena.

Detailed plans were outlined for adequate coverage in Sierra Madre, under the direction of Col. Charles E. Morrison, fund drive chairman, and Mrs. Florence Peterson, executive secretary.

The captains, and their districts, include Mrs. Reba James, Section 1; Mrs. Ruth Peterson, 2; Mrs. Linda Perry, 3; Mrs. Mary Haskins, 4; Mrs. David Jones, 5; Mrs. Inez Burton, 6; Mrs. Dyke Berry, 7; Mrs. Lucille Marmion, 8; Mrs. Marjorie Rizzo, 9; Mrs. Helen Narozny, 10, and Mrs. James Heasley, 11.

Each captain will be assisted by a corps of solicitors, selected from the neighborhoods in which they live, since, as Colonel Morrison pointed out in a keynote speech, "Red Cross is above all a neighborhood affair."

These volunteer workers will meet Wednesday, Feb. 27, at 10 a.m. at a rally to be held at the Woman's Clubhouse.

Mrs. Emma May Erickson, national field representative, will be guest speaker. Coffee, cake and doughnuts will be served by the canteen section of the local Red Cross Chapter.

Sierra Madreans are being asked to note that contributions made at out-of-town places of employment may be credited to the Sierra Madre goal of \$6585.

Founders' Day
Dinner to Be
Family Event

Annual Founders' Day dinner of the Sierra Madre P-TA will be held Thursday, Feb. 21, at 6:30 p.m. in the City School cafeteria.

The dinner is a family affair, and plans have been made for movies to be shown the children in the school auditorium after the meal, while parents take part in a panel discussion on recreational facilities in Sierra Madre.

The panel will include members of the City Recreation Commission, and city councilmen also have been invited to aid the discussion. Questions from the audience will be welcomed, according to Mrs. Martha Coutant, press chairman.

A full schedule for the evening also includes an honorary life membership in the P-TA to an outstanding individual, and skits by several youth groups. Nominations for P-TA officers will be accepted from the floor, Mrs. Coutant said.

For those who do not wish to attend the dinner, the panel and movies are scheduled from 8 to 9 p.m.

"It is hoped that the attendance by entire families will be high, since Friday (Feb. 22) is a school holiday," explained Mr. and Mrs. Tom Willis, program chairmen.

Today Is Last
Day to Register
For City Election

Today, Feb. 14, is the last day in which to register to vote in the municipal election of April 7.

Marie Warfel, city clerk, reminded residents that the City Hall closes at 5 p.m.

She pointed out also, that Thursday, April 10, is the deadline for registering to vote in the June 3 primary election.

Deputy registrars of voters in Sierra Madre, besides the clerks at the City Hall, include Mrs. Ruth Custer, 68 W. Miramonte; Mrs. Hazel L. Woodward, 99 Suffolk, and Mrs. Marjorie Rizzo, 161 N. Hermosa.

Masonic Rites Conducted for B. S. Stinman

Masonic funeral services were conducted at Grant Chapel Saturday afternoon for Benjamin Sylvester Stinman, who died suddenly Wednesday morning, Feb. 6, at a Pasadena hospital. Mr. Stinman had attended a meeting of the Sierra Madre Lodge No. 408, F. and A. M., just the night before his death.

A retired Navy man, Mr. Stinman was in the service for 30 years and held the rate of chief electrician's mate at the time of his discharge. Much of his duty was in the submarine branch of the Navy.

Mr. Stinman was the 1939 master of the Sierra Madre Lodge and was patron of the Order of Eastern Star for two years, 1940 and 1941.

He was a member of the Sierra Madre Congregational Church. After retiring from the Navy, Mr. Stinman was associated for 11 years with 20th Century Fox Studios.

The former Sierra Madrean had been making his home with his son, Gordon Stinman, of 9734 Houghton avenue, Whittier. Besides his wife, Orelia M. Stinman, and son, Gordon, Mr. Stinman is survived by two daughters, Mrs. Marjorie Peterson of Sierra Madre, and Mrs. Twila Crawford of Kerrville, Tenn.; two sisters, Miss Minnie Stinman of Sierra Madre and Mrs. A. D. Wise of Callaway, Neb., and three grandchildren, Danny and Muriel Peterson and Ronny Crawford.

Sierra Madre Masons and the Rev. Carl Smith officiated at the services Saturday.

HEALTH WEEK STARTS FEB. 17

"World Health and Security Through Family Health and Maturity" is the theme of the 8th annual Health Week to be held Feb. 17-24, in Los Angeles County.

"This week is the most important one in the year," said Dr. Ruth J. Temple, director of the L.A. City special health services and Health Week chairman. "It is an annual reminder of our responsibility for our own health, the health of growing children, and the health and safety of the entire community."

Among other city and county agencies, Health Week is sponsored by the P-TA and the County Federation of Community Coordinating Councils.

SENATORS SAY GUARDSMEN ARE 'LEGALLY' IN KOREA

Sierra Madre Heavy Mortarman and other members of the 40th Infantry Division are "legally" in Korea, U.S. Senators William F. Knowland and Richard Nixon announced this week.

In a joint statement issued by the senators, they said "nothing in the terms of enlistment can legally prevent this division serving in Korea." The statement was in answer to letters of protest from wives, mothers, or friends of the former Guardsmen.

The announcement says: Sometime ago, following the receipt of a number of letters from the wives, mothers, or friends of members of the 40th Division protesting the possible move of this Division from occupation duty in Japan to Korea, Senators Knowland and Nixon held a conference with officials of the Department of the Army. The Senators felt it was important to develop the facts because of the apparent misunderstanding in the minds of some of those correspondents.

The position of the Department is that nothing in the terms of the enlistment of these Guardsmen can legally prevent this Division serving in Korea. The question of employment of National Guard units when ordered into active Federal service was determined by the Congress with the passage of the National Defense Act of 1920. Under authority contained in this Act, when a Guard unit is ordered into Federal service it becomes an integral part of the Army and is subject to employment in the same manner as Regular units in accordance with requirements of the military situation. The Department of the Army, therefore, contends that as members of the armed forces of the United States, the 40th Division and its personnel are subject to assignment to any duty, including combat duty.

By tradition and by law, the National Guard is part of the country's first line of defense and can be assigned wherever the President may direct. Although it is to be regretted that men who are veterans of World War II in this Division were called upon again to take part in our country's defense because of lack of adequate trained forces immediately available, there is no violation of the rights of these Guardsmen who voluntarily joined for a specified number of years. Many other Californians who were in organized or other Reserve units were called back a second time. The 45th Division, a National Guard unit from Oklahoma, is also in Korea.

There have been statements made that verbal promises were made by certain recruiting officers to the effect that members of the National Guard would not be assigned to duty outside the continental limits.

JOHN MORLEY TALKS TONIGHT

John Morley, war correspondent and columnist, will be guest speaker of the Community Forum at Monrovia-Duarte High School this evening, Feb. 14. His subject will be "The Untold Story of Korea and China."

Mr. Morley returned recently from his second around-the-world tour in 16 months. He is said to have visited all countries in Europe, the Near East and Asia; he was behind the Iron Curtain in Finland, Germany and Austria.

Scoutmasters Offered Class At Huntington

A "basic training" course will be conducted at Camp Huntington in Altadena for Scoutmasters and assistants.

The course will be offered for six consecutive weeks, beginning Tuesday, April 1. Eighteen leaders from the San Gabriel Valley Boy Scout Council will serve as instructors, as well as members of the Boy Scout camp staff.

Felix Gibian, Sierra Madre district publicity director, said at the end of the six-week period of instruction, Scoutmasters and assistants will take a half-day hike. And on the following weekend they will take part in an overnight camp.

"All Sierra Madre Scoutmasters and assistants would be better leaders for attending these classes," said Mr. Gibian.

Emotional Disturbances Cause Constipation

In resuming this column again following a holiday and mid-winter recess, we shall endeavor to carry on with our discussion of the causes of constipation. In the December 13th column the subject covered common bad diets which cause constipation. Today we come to our third cause of constipation, namely, mental and emotional conditions, many of which go back to earliest childhood. When bowel training is begun too early and is consequently forced it leaves indelible impressions of confusion and frustration on the nervous mechanisms governing that function.

Probably the most common nervous state which causes constipation is that of excitement such as being late to work, preoccupation with worry or side-tracking routine habits as in traveling, all of which cause one to skip their usual habit-time for bowel emptying. Even the most regular person can soon develop an obstinate case of constipation by skipping habit-time when under special stress or through carelessness.

Next week we will discuss obstructions to the alimentary canal.

GUARD ARMORY CANCELS VISIT OF BLOOD BANK

Scheduled visit of the Red Cross Mobile Blood Bank at the Arcadia National Guard Armory Monday, Feb. 11, was canceled.

Second Lt. Samuel C. Kennedy blamed the cancellation on "complications." He said the date for the blood unit has been deferred approximately two months.

FIRE FLAMES

He is neither a slave, nor an ornery knave, this fireman called Charlie De Brown.

He is good at the steer, can ride at the rear, or drag a big hose all around.

When the fire horn blows, he's up on his toes, away to the fire and the fight.

You can put up the stakes, there'll be some mistakes, but Charlie De Brown will be right. When this fearless old fossil picks up a nozzle, his aim will be right to the point.

He puts out a fire and leaves the house drier than anyone else in the joint.

Joe Grippi, another, calls Charlie his brother, yet claims that he drives like a jerk.

When Charlie heard Grippi get just a bit snippy, he took on a virulent quirk.

A challenge was issued, he said "Now I wish you'd meet me at the foot of the trail—for there I can show you, that I'm not below you—I want you to be there, don't fail."

The two loving brothers met there with some others, the duel was bound to be good.

"Twas a matter of seconds where tragedy beckons, and volunteer seconds arose. There was Humpty Mo Thomas who swore to a promise that he would be honest and fair, but he jumped George Louie and gave Humpty the "Phooey".

"With me that guy cannot compare.

"I've judged duels galore, at least forty-four, while Humpty is just a beginner."

So the fighters took heed and mildly agreed that Louie should watch o'er the fight.

They took to position, tho' not in condition, Joe swung a wild punch with his right.

He swung and he missed but met Charlie's fist right on the end of his nose.

George Louie the second was quick when he beckoned—Joe's beak was as red as a rose.

Once again Grippi swung as he bit at his tongue—and Charlie was smart with a duck.

Joe went into a spin and he lit on his chin—Charlie jumped on his neck, just for luck.

Now this story is o'er, there is no one sore, excepting Joe's chin and his arm.

And we've learned from this duel that only a fool will trust to his looks and his charm.

Then we cannot trust fire, for it will go higher than we are able to pay.

Prevention is better, if we stay by the letter, we'll be able to keep it away.

The fellow who doesn't believe in saving for a rainy day will find he's all wet. Buy U.S. Defense Savings Bonds.

Girl Scout Notes

On Lincoln's birthday, Feb. 12, Girl Scout Troop 15 members mounted their bikes and took their lunches to the Riders and Hikers Camp. The girls have devoted several weeks to writing and rehearsing a play based on the story of Cinderella.

Troop 14 girls presented their mothers with ceramic Valentine wall plaques. They now are working on replicas of their pets. The troop spent an interesting afternoon learning about industrial ceramics at a local pottery.

The Girls Planning Board met at the Woman's Clubhouse Friday afternoon. Principal topic of discussion was the Juliet Low Fund Doll Show and Tea which will be held at Pritchard Hall on the afternoon of March 12.

In the future, the Planning Board will meet the first Friday of each month, at 4 p.m., at the Woman's Club.

RED CROSS

From page one

There are two ways to do this, explained Colonel Morrison. One is to request that the employer credit the amount of your contribution to Sierra Madre; the second method is for husband and wife to decide on the total amount of their Red Cross contribution—and then to hold back a portion of this for the neighborhood solicitor instead of giving the entire sum through the payroll system.

"Since the money needed in case of a local disaster must come from Sierra Madre," the chairman pointed out, "it seems reasonable to ask local residents to see to it that their money is credited to their home town."

cepted that angle parking is an accident breeder as compared with parallel parking. Angle parking also is less desirable "in the interest of traffic movement," it was noted.

(Editor's note: The Sierra Madre Businessmen's Association recently submitted a letter to the council asking that angle parking be retained.)

The survey report continued that "if parallel parking were substituted for angle parking... it is estimated that the amount of curb space which now provides 137 angle spaces would provide only 80 parallel spaces for a net loss of 57 parking stalls.

"Based on an average turnover of 7.5 vehicles per space per day in the angle stalls, 428 vehicles would have to be provided for off-street or on side streets," the traffic engineers reported. "It would appear possible that the 57 lost curb stalls could be conveniently provided in a close-in, off-street lot or series of smaller lots."

Concerning one-hour parking limits, the study said its "tabulated findings clearly show that the two-hour curb zone and the fringe no-limit blocks are operating above the theoretical minimums."

A total of 1294 vehicles were observed parking in the two-hour spaces which at the theoretical minimum would hold 960 cars if each space were occupied by a car the full legal time, then replaced immediately by another car.

"It, therefore, is indicated that consideration of a one-hour zone would be justified... as such a zone would be in accordance with the parking habits and would only adversely affect those who 'storage park' at the expense of others," the report said.

Nine Sierra Madreans were praised in the report for their cooperation in compiling the statistics. These were Police Chief Gordon G. McMillan, H. S. Embree, Truman Harte, Mahlon Kinney, Mike McCloskey, W. H. Newberry, D. H. Tarr, Ralph Twedell and Terry Westhafer.

Indian Band Rooms Hills Above Town

A band of Indians was roaming the hills above Sierra Madre last Sunday.

They were identified as members of the Blackfoot Tribe of father and son "Y" Indian Guides, who meet on the second and fourth Fridays of each month at the Sierra Madre Youth Hut.

Eighteen of these Indian braves, accompanied by one paleface, were observed prowling the hills. They were reported to have consumed a prodigious quantity of hot dogs, hot chocolate, coffee, apples and candy bars in the vicinity of Camp Ivy.

Some of the little braves gained an intimate acquaintance with nettles and mountain streams; some of the big braves found that the trail had grown longer since their youth. All were said to have been in a friendly and jovial humor when they returned to their village.

Chief Big Elk (Virg Smith) and his braves expressed gratitude to Grizzly Bear (Samuel
